SCECH Booklet

Overview

A sliding scale of SCECH credit is once again being offered. The amount of credit you earn is based on the number of approved sessions you attend. **You must sign-on and sign-out of every session you attend in order to earn credit.**

- To apply for credit, take the sign-in booklet to the chairperson in each session to be initiated at the beginning and conclusion of the session. You may not sign-out of the session prior to its conclusion. Before you leave the conference, take your completed sign-in sheet to the Calvin booth. If it is before the closing session, if it is after the closing session, take it to the Headquarters in the lobby. The required \$25 application fee for SCECH credit will be collected at the convention when you submit your sign-in sheet. Please make checks payable to **Calvin University. Completed forms are only accepted on-site during the convention.** When you submit your sign-in sheet, you must also provide picture identification.

- Within 30 days of the convention, you will receive an email from Calvin and the state asking you to complete an online evaluation in the Secured Central Registry system. You must complete this to receive the SCECHs. **You will have 30 days to complete the evaluation.** To access your account, please go to <https://mdoe.state.mi.us/MOECES/Login.aspx>.

Important Notes:

- Not all sessions are eligible for SCECH credit.
- You must attend a minimum of 3 contact hours in order to meet the state requirement to be eligible for credit.
- If you apply and are not eligible or are ultimately not granted SCECH credit, the application fee will be refunded to you minus a \$10 processing fee.
- You may be denied credit for any of the following reasons:**
 - You have not signed in for at least three hours of instruction
 - You failed to submit your sign-in sheet prior to leaving the convention
 - You attended but failed to sign-in or out with the session monitor
 - You failed to pay the \$25 application fee
 - You failed to complete the application forma and provide photo identification
